

North Bay Nordic Ski Club Rental Ski Inventory (Updated Dec 1, 2009)

INVENTORY

The club has a great supply of ski equipment for rent for skiers of all sizes. A complete set of equipment (boots, skis and poles) is available for a special rental cost of \$5.35 (\$5.00 plus taxes) when students are attending on a school day as part of a school sanctioned event. In order to simplify, below are the number of each size of boots available. We do have a pair of skis and poles to accommodate each pair of boots. The attendant will size each student for the rest of his or her equipment after the boots are sized upon your arrival. Please check the inventory below to ensure we have the appropriate sizes for your class.

All equipment must be returned to the snack bar before departure.
