

North Bay Nordic Ski Club COVID-19 Screening Tool

Overview

This tool was developed from the Ontario Ministry of Health's COVID-19 Screening Tool for Workplaces (Businesses and Organizations). It provides recommendations for businesses or organizations for COVID-19 screening as per Ontario Regulation 364/20. It is not to be used as a clinical assessment tool or intended to take the place of medical advice, diagnosis, or treatment.

At a minimum, the North Bay Nordic Ski Club (NBNSC) requires that all members and visitors review the following questions to self-screen for COVID-19 before arriving. This screening will be implemented for all staff prior to entering their work environment. Anyone who does not pass screening are advised that they should not attend the NBNSC and should self-isolate, call their health care provider or Telehealth Ontario. Once an individual has passed the screening questions, they are allowed to attend the NBNSC.

Screening Questions

1. Do you have any of the following new or worsening symptoms or signs? Symptoms should not be chronic or related to other known causes or conditions.

Fever or chills	<input type="checkbox"/> Yes	<input type="checkbox"/> No
