To define which groups constitute a school group and to ensure maximum safety of all skiers when school groups are using the NBNSC trails:

- a) A school group is a group from a recognized elementary, secondary, or post-secondary institution, or a recognized homeschool association using the trails during regular school hours;
- b) Any other group wishing to ask for school group rates must be approved by the Board;
- c) A school can obtain a “school membership” from NBNSC for an annual fee to be set by the Board. Member schools are permitted free use of the trails within normal school hours, but nominal equipment rental fees will be charged;
- d) Teachers who lead school groups on NBNSC trails for cross-country skiing must ensure adequate supervision of all their participants at all times while at the club;
- e) Elementary and secondary school groups are to ensure that they meet their school board’s supervision requirements or the Ontario Physical and Health Educators Association (OPHEA) requirements;
- f) The school group supervision ratio policy of NBNSC is 12 students to 1 adult. Within that ratio, teachers or assistants or other adults who accompany school groups as supervisors can ski with the students as part of the school membership without paying a trail fee. Any additional adults, or adults accompanying students from schools without a school membership, must pay the regular day fee;
- g) All student groups must be accompanied by responsible adults, and supervised at all times both on the trails and in the clubhouse;
- h) The snack bar staff must receive a list of all group members for that day of skiing; and
- i) Schools will be responsible to reimburse the NBNSC for any damage to its property caused by students or supervisors.
